Joan Eileen Cranch married Albert Ernest Iles in Dartford, Kent on 24th June, 1940.

It would seem that Joan Eileen Cranch remarried. Her new husband was Charles Hunter they might have married around 1960. There seems to have been two children from this marriage. However, I cannot find any records to substantiate these facts.

The death of a Charles Hunter is registered in the district of Birkenhead in the December Quarter of 1975. It is likely this records the death of this Charles Hunter.

It seems that Joan Eileen Hunter died in Pennsylvania, USA, on 2<sup>nd</sup> August, 2006. This is a record from another source but I cannot verify its authenticity.
